Good afternoon,

Thank you everyone for agreeing to serve as a speaker during the America Recycles events EPA has planned for Friday, November 15<sup>th</sup>. In preparation for your speaking roles, we'd like to provide an advanced copy of *the National Framework for Advancing the U.S. Recycling System*. Please use this to help as you are preparing your talking points for Friday.

We should be posting this to our website by Friday, but ask that you do not distribute it widely until we've posted it online.

Thanks again,
